# Zed

design Hannes Wettstein, 2007

Zed deve il proprio nome all'inconfondibile profilo a zeta del bracciolo, che accompagna l'unione tra seduta e schienale in un disegno attento all'estetica e al confort. Versatile nelle finiture, questa seduta è la soluzione ideale sia per l'ambiente domestico che per il contract.

Zed doit son nom à l'unique profil de son accoudoir en forme de Z. Ce dernier accompagne l'union entre l'assise et le dossier par un dessin conférant esthétique et confort. Cette chaise aux diverses finitions est la solution idéale pour des espaces domestiques ou pour le contract.

Zed owes its name to the unique Z shape of the armrest joining the seat and back in a design attentive to appearance and comfort. Versatile in its finishes, this seat is the ideal solution, both for home and for contract applications.

Zed zeichnet sich durch das ästhetische und bequeme Design aus, seinen Namen verdankt der Stuhl dem unverwechselbaren Z-förmigen Profil der Armlehne, der Verbindung zwischen Sitzfläche und Rückenlehne. Vielseitig in der Ausarbeitung, ist diese Sitzgelegenheit die ideale Lösung sowohl für das häusliche Ambiente als auch für Geschäftsräume.
